

Vermont Law School students will now be able to log on to our system and view Personal, Grade, Schedule, and Degree Audit information with any web browser from anywhere in the world. Students will simply go to:

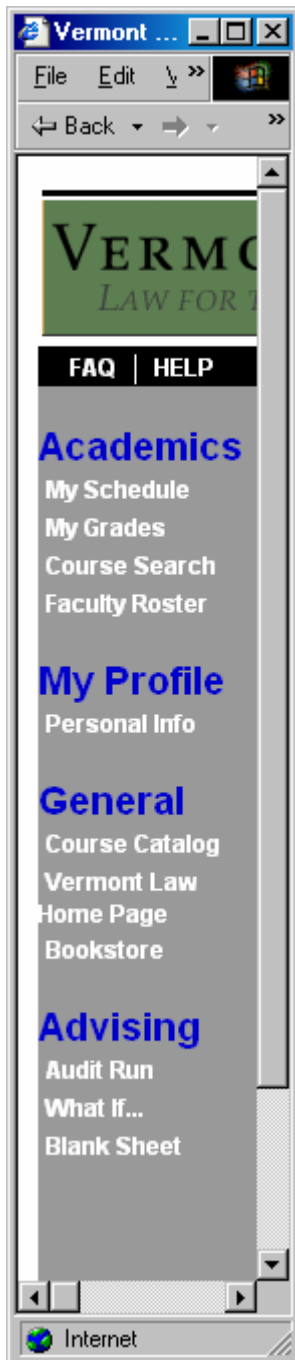

<http://campusweb.vermontlaw.edu>

You will log in using your network login:

Enter your VLS username and password then hit the Submit button. You should be logged in.

On the left it will look like this:

The links in white – with the exception of the course catalog which is coming soon – are currently available.

We expect to be offering training sessions in the coming weeks to anyone who needs more information about how to use this exciting web tool. For now, to the extent that I can handle this over the phone, you may contact me at extension 1248 or 802-831-1248 with problems logging on. For second semester students, Audit sheets will not work until your first semester grades are posted. Other Audit sheet and registration issues should be emailed to: registrar@vermontlaw.edu.

More information about this will be sent in campus-wide email in the coming days.
